MISSIONARIES TO CEBU, PHILIPPINES

Prayer Requests

- Join us in praying for full support by the end of this year. It is a tall order, but our God is a God of miracles.
- Pray that we won't become discouraged as we contact hundreds of churches each week in an effort to fill the "holes" in our schedule.

Challenge for the New Year

We are so grateful for the new ministry partners that we have gained over the last year. Every victory that we have in service to our Creator we share with you now and in eternity.

That being said, we still have a way to go in order to get to Cebu fully funded. We completely trust in God to provide. After all, He is the one who has called us. Our official target date to leave for Cebu is early April of next year, and we will go with whatever support God has given us at that point. However, our personal prayer is that the Lord would see fit to provide us with our full support by the end of this year, because we truly believe that every additional day of spreading the Gospel counts.

I am not sure that the average believer realizes just how much rejection a typical missionary faces while raising support. If every believer could find just \$50 to give to missions each month, we could see missionaries reach the field in record time! (Our family spends half that amount each time we eat fast food.) There are so many lost people all over the world needing to hear the Gospel so that they won't have to face an eternity of judgement. Why is it often so hard for us to take that seriously? Please pray that God would burden your heart to personally support a missionary.
